Collecting and Using Your Personal Data

Personal Data

On Our Product, We utilize Meta Platform Services to provide Leaderboards and Achievements inside the application. For this purpose, the application accesses Your Meta profile name, profile photo and scores for the game. For the Leaderboard and Achievement purposes the application sends your scores to Meta Platform Services. Profile name and photo is only used locally and temporarily during the gameplay. We do not collect this personal data for any purpose.

You have a chance to use the Product also without internet connection to disable Leaderboards and Achievements.

Deleting Personal Data

We do not collect personal data for any purpose.

Usage Data

Usage Data is collected automatically when using the Product. Usage Data may include information such as how many times the game has started, which levels have been played and other general diagnostics about the game play. Collecting this information is used only to improve the product gameplay. In addition to Meta provided information we use Google Analytics to collect Usage Data.

You have a chance to use the Product also without internet connection to disable Usage Data collection.

Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on the product page. You are advised to review this Privacy Policy periodically for any changes.
